I Owen McKay the Engineer appointed by The Municipality of the Township of Sandwich East in the County of Essex Ontario under the provisions of the Ditches and Water Courses Act having been requested so to do by the requisition of Joseph Laven owner of the South 3/10 of the W half of Lot 18 in the 11th Concession of said Township of Sandwich South filed with the Clerk of the said Municipality and representing that he requires certain work to be done under the provisions of the said Act for the draining of said lands and that the following other lands would be effected.

Viz.

Denis Perrin owner of S.W.1/4 of Lot 17 Con II

James Quick owner of the North West 1/4 of Lot 17 Con II

Patrick Laven owner of the N 5/8 of S 4/5 of W 1/2 Lot Con II

Joseph Bellargeon E 1/2 of N 1/2 of N 1/2 Con II

Armanena Bellargeon E 1/2 N 1/5 W 1/2 Con II

The Municipality of the Township of Sandwich South owner of the 11th Concession Road did attend at the time and place named in my notice in answer to said requisition and having examined the locality and the parties find that a portion of the ditch along the south side of the said Eleventh Concession Road will require to be deepened and improved and that the repairs and improvements will have to be extended to a point on the Town Line Road where the lands and roads of the Township of Sandwich East have constructed a ditch from this point to Pike Creek

The location, description and course of the ditch and its point of commencement and termination are as follows:

The ditch commences on the North side of the base line on the East side of the 11th Concession Road and extends along the East side of the said Road to the Town Line Road between the Township of Sandwich East and the Township of Sandwich South.

thence along the South side of the Town line Road to an outlet ditch running from said road to Pike Creek.

The said work will effect the following lands.

Denis Perrin owner of S.W.1/4 of Lot 17 Con II

Joseph Quick " " N.W.1/4 " " " II

Patrick Laven " & N 5/8 of S 4/5 of W 1/2 Lot 18 Con II

Joseph Bellargeon owner of the W.I/2 of N.I/3 Lot I8 Con II
and W I/3 of S I/2 of N I/2 lot I8 Con II
Armadens Bellargeon middle I/3 of N I/2 of Lot I8 Con II
Victor Bellargeon E I/3 of N.I/2 Lot I8 Con II
Noah Gerard parts of Lot I9 Lot I8 Con II

The Township of Sandwich South owner of the IIth Concession Road and part owners of the Town Line Road.

I find that the repairs to said ditch is necessary. Owing to a ridge or raise in the natural surface of the IIth Con Road about 60 rods South of the Town Line Road which would necessitate a deep cut in the improved ditch at this point, I have provided in my Plan, Profile and award two outlets as follows:

Outlet A to run east from the said IIth Concession Road to Laven Drain along the line between the N I/5 and the South 4/5 of Lot I8 and outlet B along the South side of the Town line Road to the outlet into Pike Creek as above referred to.

The ditch along the East side of the Eleventh Concession and along outlet marked A on plan shall have a bottom width of two feet six inches and the side slopes of I.I/4 feet horizontal to I foot vertical.

Where the ditch runs along the Public Road the earth shall be cast on the road and spread in a good and workmanlike manner leaving a berm of not less than 3 feet between the excavated material and the side of the ditch.

Along outlet A the ditch shall be made on the South side of the fence between Patrick Laven and Joseph Bellargeon from the IIth Con Road for a sufficient distance to avoid destroying or removing two pear trees now on or close to the line between the N I/5 and South 4/5 of the W I/2 of said Lot I8.

As soon as the ditch is constructed far enough south so as to do no injury to the pear trees, it shall be curved Northerly to the said line and be continued ~~Northerly to~~ Southerly on the said line between the N I/5 and the S 4/5 of said Lot I8 to its outlet into the Laven Drain.

There shall be a clear berm of not less than two feet left between

the edge of the ditch and the line fence and the earth shall be spread over a space of two rods in width on the side of the ditch opposite to the side on which the fence is erected.

I do therefore award and apportion the work and the furnishing of the material among the lands effected and the owners thereof according to my estimate of their respective interests in the said work as follows:

Denis Perrin owner of the S W I/4 of Lot I7 Con II shall repair improve and hereafter maintain that portion of the drain along the East side of the said Concession road com encing at a point one rod North of stake 6 and be continued to stake 7 a distance of II rods which I value at $6.60

James Quick owner of N.W.I/4 of said Lot I7 shall repair, improve and hereafter maintain that portion of the drain commencing at stake5 and be continued to a point I rod North of stake 6 a distance of I3 rods which I value at $7.80

Joseph Laven owner of the S 3/I0 of the West half of Lot I8 Con II shall repair, improve and hereafter maintain that portion of the said drain commencing at stake 7 and extending Northerly to a point 3 rods ~~XXXXX~~ North of stake 8 a distanceof I5 rods which I value at $9.00

He shall also repair, improve and maintain that portion of the outlet marked A in the line between the N I/5 and the S 4/5 of the West half of Lot I8 Commencing 2 rods east of stake I9 and extending to a point 3 rods east of stake 20 a distance of I3 rods which I value at $I0.25

Patrick Laven owner of the N 5/8 of the S 4/5 of the W I/2 of Lot I8 shall repair, improve and hereafter maintain that portion of the drain commencing at a point 3 rods North of stake 8 and extending to a point 4 rods North of stake I0 a distance of 25 rods which I value at $I5.00 He shall also repair, improve and herafter maintain that portion of the outlet drain lettered "A" along the line between the N I/5 and the S 4/5 of said lot I8 commencing at a point 3 rods East of stake 20 and extending to a point 3 rods east of stake 24 at the Laven Drain a distance of 43 rods which I value at $I6.80

Joseph Bellargeon owner of the W I/2 of the North I/5 of Lot I8 and the West I/3 of the South half of Lot I9 shall repair, improve and maintain that portion of the drain on the East side of the Eleventh Concession Road commencing at a point 4 rods North of stake I4 and extending to stake I7 a distance of 32 rods which I value at $I6.00

He shall also repair, improve and maintain that portion of the outlet drain lettered "A" commencing at the East side of the Eleventh Concession Road on the South side of the fence and extending about two rods easterly to clear the pear trees in orchard.

thence Northerly to the line between the North I/5 and the Southerly 4/5 of Lot I8.

thence East-rly along said line to a point I rod east of stake I5 a distance of 25.I/2 rods which I value at $2I.00

He shall also repair, improve and maintain that portion of the East side of the Eleventh Concession Road and on the South side of the Town line Road between the Townships of Sandwich East and Sandwich South.

Commencing at stake I9 and extending to a point 3 rods East of stake 24 a distance of 63 rods which I value at ~~64~~ $28.35

Armedas Bellargeon owner of the middle I/3 of the West half of Lot I9 shall repair, improve and maintain that portion of the drain commencing at a point 3 rods east of stake 24 and extending to stake 27 a distance of 33 rods which I value at $23.I0

He shall also repair, improve and maintain that portion of the drain on outlet lettered "A" commencing I rod east of I5 to II rods west of I6

Victor Bellargeon owner of the East I/3 of the West half of Lot I9 shall repair, improve and maintain that portion of the drain commencing at stake 27 and extending to a point 8 rods east of stake 29 a distance of 32 rods which I value at $22.40

Noel Gerard owner of the North east part of Lot I9 shall repair, improve and maintain that portion of the drain commencing at a point 8 rods east of stake 29 and extending to a point 8 rods east of stake 33 a distance of 48 rods which I value at $38.40

The Township of Sandwich South shall repair, improve and maintain that portion of the drain commencing on the South side of Town Line Road

Commencing at a point 8 rods east of stake 33 and extending to the bridge across said Town line road about 9 rods east of stake 40 a distance of about 85 rods which I value at ~~$55.85~~ 37.00

They shall also repair, improve and maintain that portion of the drain on the East side of the Eleventh Concession Road, commencing at a point 4 rods North of stake I0 and extending to a point 4 rods North of stake ~~I8~~ I4 a distance of 48 rods which I value at $28.40

they shall also repair, improve and maintain that portion of the drain on Outlet lettered "A" commencing at a point 2 rods east of stake I7 to a point 2 rods east of stake I9 a distance of 24 rods which I value at ~~$14.00~~ 18.00

I fix the time for the completion of the drain on the 30th day of November A.D.I908.

My Fees and other chargesmattendant upon and for making this award including Clerks Fees are as follows"

29.25 plans &
4.50 inspection
33.75 Clerks fees 4.50
