

A. J. Halford.

The engineer appointed by the municipality  
of the Townships of Sandwich South in the  
county of Essex under the provisions of  
the ditches and water courses act 1844.  
having been required so to do by the  
requisition of William Robinson owner  
of the North west quarter of Lot No 15 in the  
8<sup>th</sup> Concession of Sandwich South  
filed with the Clerk of Said Township repre-  
senting that he required certain work ~~work~~  
to be done under the provisions of said  
act for the drainage of said land and  
that certain other lands will be affected.  
did attend at the time and place by me  
appointed in my notice in answer to  
said requisition, and having examined  
the locality and heard the interested parties  
find that the ditch is required. The  
ditch begins at a Stake N<sup>o</sup> 0" at the West-  
Limit of said Lot 15. and extends East along  
the North side of the line between the North  
and South halves of said Lot 15. 132 rod to  
Stake N<sup>o</sup> 4" at the Hayes drain. The South  
edge of the drain shall coincide with the  
said line between the North and South halves  
of Lot 15. The said drain shall have  
a bottom width of 2 feet and each side  
shall have a slope of  $\frac{1}{2}$  to 1" The bottom  
shall be uniformly level. The dirt shall all  
be cast North and shall be spread in a work  
manlike manner. The depth at each Stake  
shall be as given in the accompanying  
"Schedule of Depth".

I do therefore award

and apportion the work among the lands affected and the owners thereof according to my estimate of their respective interests in the said work as follows.

Wm. Robins our owner of the North west quarter of Lot 15 in the 8<sup>th</sup> concession shall make complete and maintain the drain from Stake N<sup>o</sup> "O" at the 8<sup>th</sup> Con. Road. East 66 rods to a point 6 rods East of Stake N<sup>o</sup> 3. which work I value at \$20<sup>00</sup>

John Lyons owner of the South west quarter of Lot 15 in the 8<sup>th</sup> concession shall make complete and maintain the drain from a point 6 rods East of Stake N<sup>o</sup> 3 East 66 rods to a point Stake N<sup>o</sup> 4 at the Hayes drain. all of which work will according to my estimate amount in value to \$20<sup>00</sup> The drain is to be constructed on the line established by J. S. Laird P.L.S.

Each portion of the drain shall be made and maintained in accordance with the foregoing description. Each portion of the drain shall be fully made and completed before the 1<sup>st</sup> day of May ad 1898.

"The drain shall be known and cited as the Robins & Lyons drain"
