

VOLIGNY DRAIN

Sandwich East

... the clerk of the

The Ditches and Water-Courses Act of 1883.

I, James S Laird the Engineer appointed by the Municipality of the Township of Sandwich East in the County of Essex under the provisions of the Ditches and Water-Courses Act, 1883, having by the requisition of F. Hoe Voligny owner of Lot number 18 NE 1/4 in the Township of Sandwich East filed with the Clerk of the said Municipality representing that he requires a ditch or drain on said Lot, and that it would be necessary to continue the ditch or drain through the following lands:—On Lot number thirteen in the 10th Concession of the Township of Sandwich East owned by Mrs. G. Stewart and occupied by one Johnson.

been called did attend at the time and place named in said notice, and having examined the locality of said ditch or drain, and heard the parties and their witnesses, find and award as follows:—

That the NE 1/4 lot number 18 in the tenth Concession of the Township of Sandwich East would be benefitted by and requires a drain such as I have described in plans to enable the proper cultivation or use of the said land, and I find that said ditch or drain will require to be extended across the land of Mrs. G. Stewart, being Lot number thirteen in the tenth Concession of the Township of Sandwich East and across the land of and that said Lot thirteen will be benefitted by said drain.

and I award the said ditch or drain as follows:—

F. Hoe Voligny shall commence at stake number "0" planted 31 rods South from the North line of Lot 18. and shall open up and maintain a ditch or drain Northerly on the line staked out to stake number 4 planted 20 rods from the 3rd Concession Road and said portion shall be made and completed within One Month he shall also maintain from St. 0" Northerly 50 Rods That Mrs. G. Stewart shall commence at stake number 4 above described, and shall open up and maintain a ditch or drain Northerly to Stake to stake number 6 planted at the 3rd Concession Road and said portion shall be made and completed within (20) twenty days from this date he shall also maintain from the 3rd Concession Road Northerly 50 Rods

That my costs attendant upon the examination, and making of this award, are seven Eight and one half dollars and shall be borne and paid as follows: F. Hoe Voligny shall pay three five dollars and fifty cents & Mrs. G. Stewart five dollars and fifty cents

Dated this 21st day of April A. D. 1886

A J Halford
P. H. S.

James S Laird
Engineer for the Township of Sandwich East

I award that the clerk of the Municipality shall be paid the sum of \$1.50 one half to be paid by each party to this award.

James S Laird
Township Engineer

Specifications of The Voluntary
drain in Sandwich East:

This drain begins at a Stake No. "O"
planted 3/4 rod from the North
and about 80 rod from the East
side of Lot 18 in concession line
in Sandwich East; and runs
North 60 rod; Thence North West to
the Concession Road.

The excavated
earth may be cast on either or both
sides and kept 3 feet from the
edge of the drain.

The drain shall
have a bottom width of 3 feet with
side slopes of a foot to a foot.

The
work is all to be done in a workman
like manner.

James S. Leitch
P. E. S.

J. A. J. Halford

the engineer appointed by the Municipality of the Township of Sandwich South in the County of Essex, under the provisions of the ditches and water courses act; having been requested to do so by the requisition of Edward Lannon owner of the westerly sixty acres of the North half of Lot number 290 on the North side of the Talbot road in the said Township of Sandwich South, filed with the Clerk of the said Township, and representing that he required certain work to be done under the provisions of the said act and that for the drainage of the said lands and that certain other other described lands and roads would be benefited by the work, did attend at the time and place by me appointed, and after having examined the locality of the proposed drain, and heard the interested parties, find that the drain is required, The location and description of the drain are as follows.

The drain is on the East, South & West sides of the said Westerly 60 acres of Lot 290: Commencing at Stake "O" at the South East angle of the said 60 acres, and extending North East on the West side of the line and distant two feet from the line, $66\frac{1}{2}$ rods. The drain shall be made straight. The excavated earth shall all be cast west and shall be well and evenly spread on a space at least two rods in width. From a point $6\frac{1}{2}$ rods North of Stake 5 - North East to the North Talbot road. $66\frac{1}{2}$ rods. The drain shall be on the East side of the line and distant two feet

From the line. The excavated earth
 shall be cast east and shall be well
 and evenly spread on a space at least
 two rods in width. The Outlet of this
 drain is west on the South Side of the
 North Talbot Road. 2 rods and North along
 an old drain through Lot 9th 9 in the
 11th Concession ^{To the Townsley Outlet} 13 rods; On the North
 Talbot Road The dirt shall be graded
 on the Road bed in a workmanlike
 manner. From Stake 19 to 20. The dirt
 may be cast on either or both sides
 doing no unnecessary damage, and
 shall be well and evenly spread on
 a space from two to four rods in width.
 On all the work all logs brush and
 rubbish shall be removed from the
 space on which the dirt is spread.
 The size of the drain. Depth of cut-
 Bottom width & side slopes are given
 on the accompanying plan. The drain
 as above described will affect the
 following lands and roads.

Names Owners	Con- cession	Lot or Part of Lot	Area	Engineers Fees.
John McEann	NTR	S. E $\frac{1}{4}$ Lot 295	.	\$ 4 00
S. Brundage	"	S W $\frac{1}{4}$ " 295		4 00

Township of Sandwichburgh	}	North Talbot	}	\$ 4 00
		Road.		

I do therefore award and
 apportion the work among the lands
 affected and the owners thereof
 according to my estimate of their respective

interested in the said work as follows:

Owner of the said North East ^{Two} ~~Three~~ fifths of the North half of Lot 295 N.T.R. shall make complete and maintain the portion of the drain on the westerly line of his lot commencing at a point three rods north of stake N^o "6" and extending North East 58 rod to stake N^o 11 at the South side of the North half Road. which work I value at \$40⁰⁰

John Mc Cann owner of the South East quarter of Lot 295 N.T.R. shall make complete and maintain the drain from stake N^o "0" West 14 rod, and from stake N^o "0" North 24 rod to stake N^o 2. which work I value at \$25⁰⁰

Sam. Brundage owner of the South West $\frac{1}{4}$ of Lot 295 N.T.R. shall make complete and maintain the following portions of the drain. From a point 14 rods west of stake "0" West 36 rods to stake "3" and from stake "3" North 36 rods to stake "10" all of which work I value at \$36⁰⁰

Edward Lennow owner of the NW $\frac{3}{8}$ of $\frac{1}{2}$ of Lot 295 shall make complete and maintain the following portions of the drain.

On the East drain, from stake N^o 2 North 51 rod to a point 3 rod North of stake N^o 6. On the South ditch, from stake N^o 4, west 34 rod to stake 7. and on the west line from stake N^o 10. North 51 rod to a point 3 rod North of stake 14. all of which work I value at \$82⁰⁰

John O'Keefe Owner of the
North East $\frac{1}{4}$ of Lot 296. N.T.R. shall
Make Complete and Maintain the
drain from a point 3 rods North of Stake
14. North west 57 rods to Stake 19. which
work I value at \$23⁰⁰

The township of
Barnwich South. Owner of the North
Talbot Road. shall Make Complete
and Maintain the drain from Stake
No 19. North 13 rods to Stake No 20 at the
Twomey Outlet. which work. (including
a bridge across the Rear road) I value at
\$26⁰⁰.

Each portion of the drain shall
be Made and Maintained, in accordance
with the foregoing description and the
accompanying plan. and each portion
shall be fully made and completed
before the first day of October 9th 1900 -
I further award, That my fees and other
charges attendant upon and for Making
this award are:

To Survey and award \$22⁰⁰

To Clerks fees 3⁵⁰

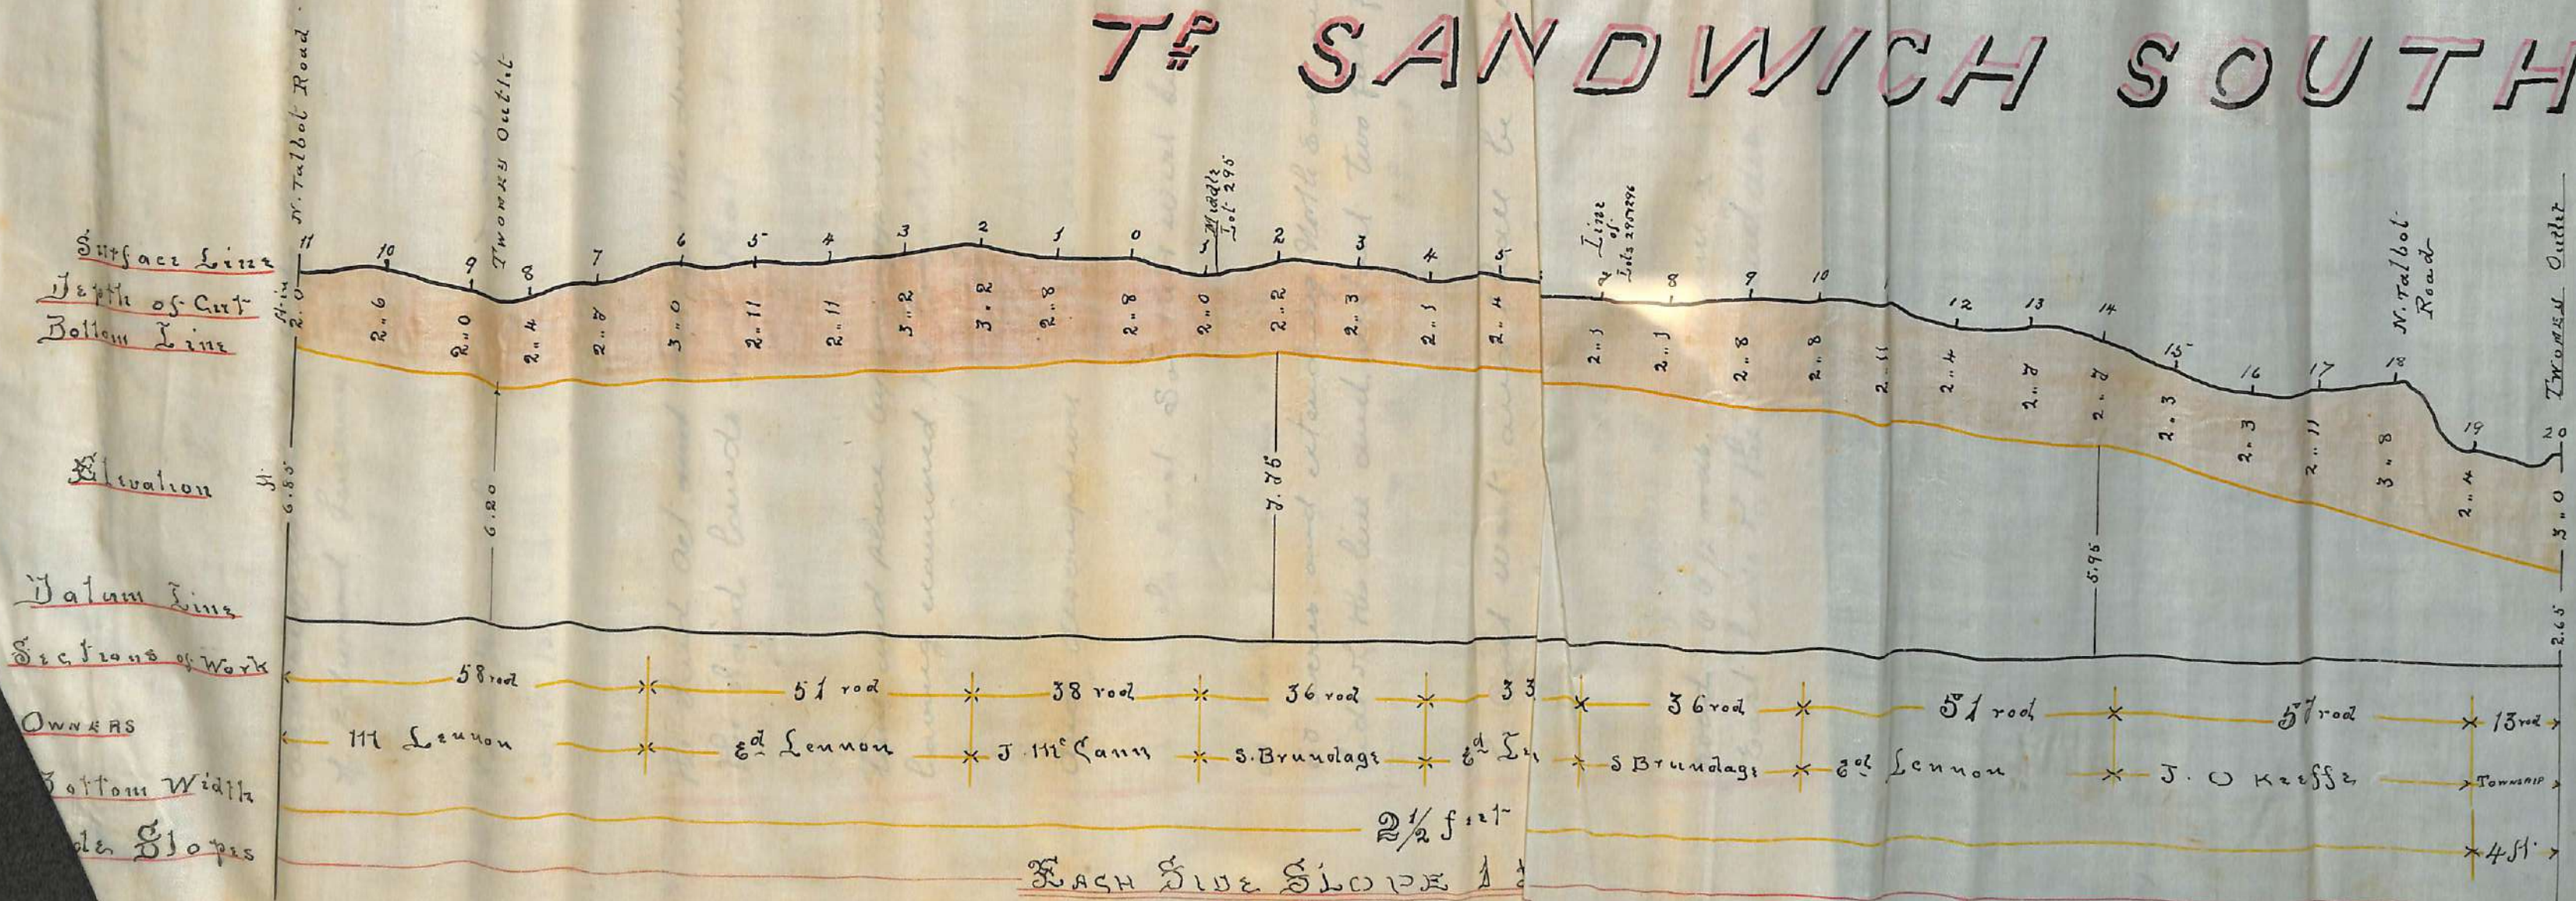

Amounting in all To \$25⁵⁰ which shall
be borne and paid by the several parcels
of land and their respective owners as
set forth and charged as engineers fees
in the foregoing schedule of lands
affected.

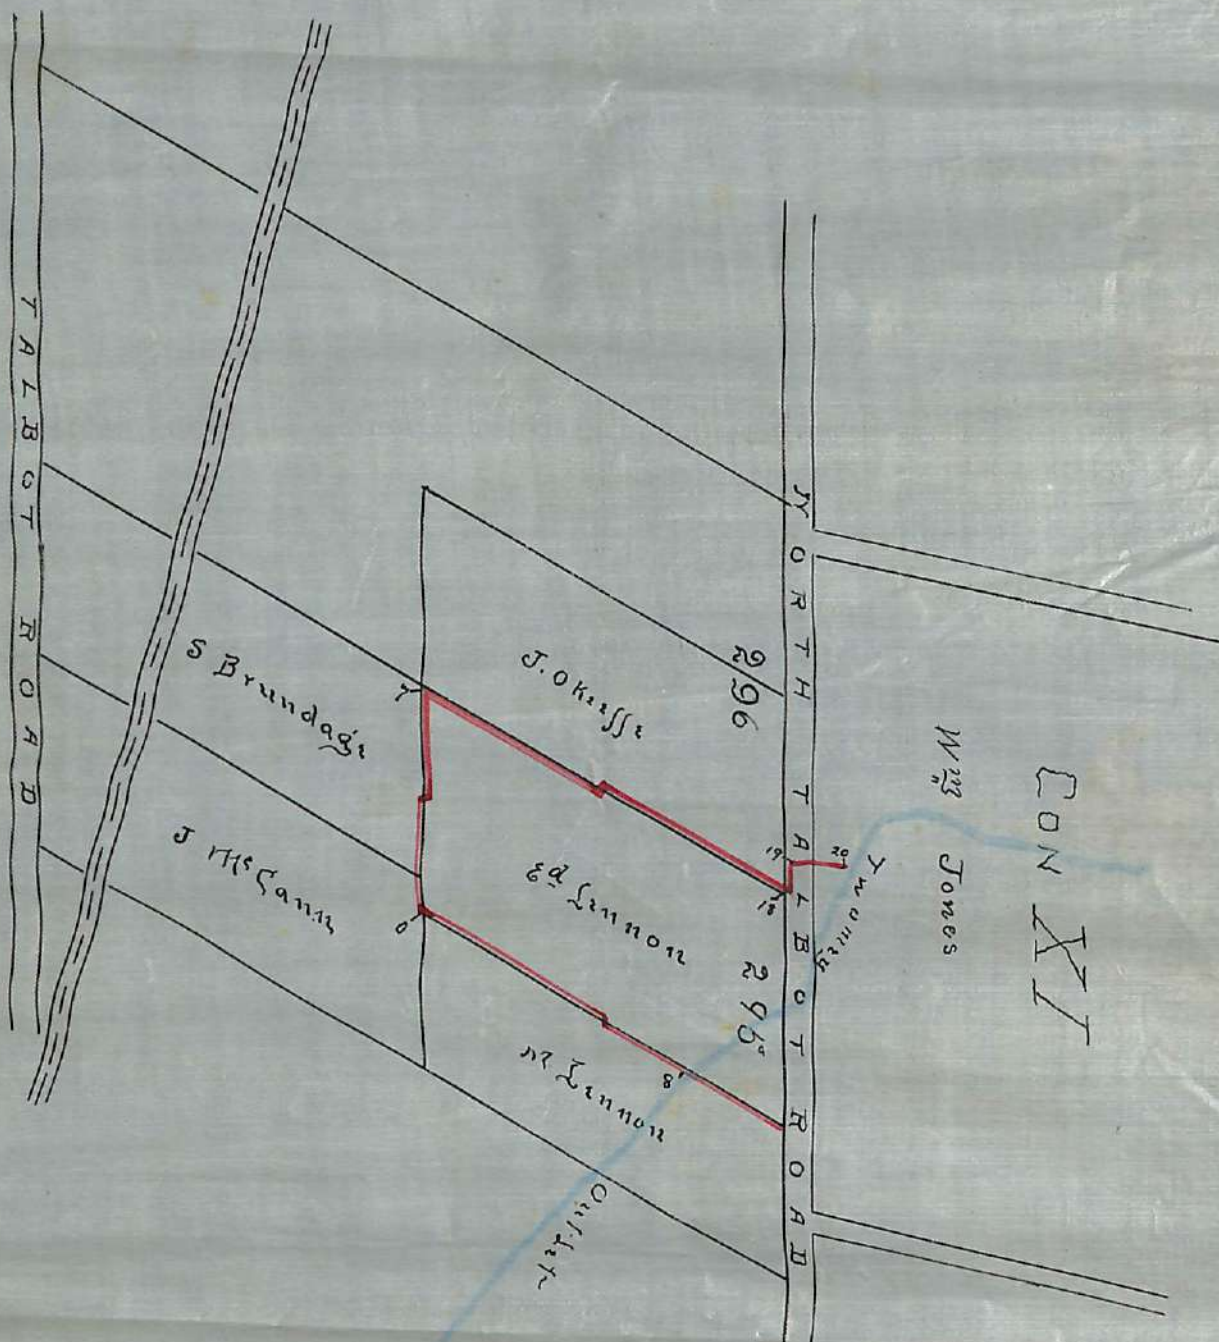

This drain may be known and
cited as the "Barnwidge Drain"
