

Sandwich South Township Hall built in 1927

In 1893, the first council meeting for the Township of Sandwich South was held in the bar room of the residence and hotel owned by Mr. & Mrs. Michael McCarthy of Talbot Rd., Oldcastle.

In 1896, a town hall was built on land donated by Mrs. Mary (Downing) McCarthy, directly across from their hotel. In 1927, it was replaced, by a new structure (depicted above) at the same location and served in this capacity until 1964.
