Mrs. W. A. Crowder,
OLDCASTLE, Ont.

Dear Mrs. Crowder:

This year the Essex County Association for Retarded Children is holding its Annual Flowers of Hope Drive from May 8th to May 21st. We should appreciate very much the assistance of groups such as yours, in a telephone "follow up" between May 13th and 18th. If each member of your group were to phone an equal number of the members of your parish, no one would have too many to call, and all of the people would be contacted.

Some of the questions you might ask are:

"Did you receive your Flowers of Hope seeds in the mail?"

Have you planted them?

We hope you will forward your contribution to help the children at Sun Parlor School and the young adults at the Sun Parlor Training Centre.

As you probably know, our Sun Parlor Training Centre is set up to aid in the further training of the young people after they become 18 years old and can no longer attend school. There are no funds available for this except through donations and appeal to the people of Essex County. At present there are 10 trainees and more will be coming in the fall. The Centre has been open now nearly two years and the young people under the able direction of Mrs. Jean Collins, are now doing a commercial job of sorting rivets, as well as several colating jobs on monthly bulletins for various organizations.

Although the Department of Education now pays all operating expenses for Sun Parlor School, classroom facilities must be provided by the Essex County Association. With growing enrollment, and transfer of Children from Churchwood School in Windsor due to annexation and relocation of boundaries between

the two schools, additional classrooms will be badly needed by September, 1966, as well as the gymnasium for physical training activities. The only way this money can be raised is by appeal to the public and from donations from Service Clubs, etc.

Would you please discuss this with your groups and let us know if you will assist us in this way? You will be helping the children at the school, the Trainees at the Centre, to become useful and productive citizens to the best of their individual abilities.

Sincerely,

Sunny Ray

Fund Drive.

SUN PARLOR SCHOOL

Our new building is well on its way and we look forward to moving in during the Christmas Holidays.

PLACING OF CORNERSTONE

The pupils at Sun Parlor School will place the Cornerstone for the New Sun Parlor School on WEDNESDAY, OCTOBER 18, 1972 at 1:30 P.M.

Kelly and Donnie will lay the stone
Robin will introduce Allan
Allan will talk about our time capsule
The School Choir and Band , directed by Mr. Arbour
will offer selection

Most of the ceremony will be carried out by the pupils as much as possible. Pictures and names of all the children now at Sun Parlor and other small items will be placed in the sealed capsule to be placed behind the cornerstone for opening at a later time.

We invite every parent and friend who is interested and able to attend to share with us in this ceremony. The new school is located on Maidstone Avenue behind the Essex District High School.

A very special thanks goes to the pupils of Rooms 10 and 11 of Queen Elizabeth School in Leamington. These generous young people put on a carnival and raised \$100.00. Audio Visual aids and speech aids have been purchased with the money.

Thank you also to all our friends for their assistance in saving items for the school, and for assisting with our candy sale and for just being the wonderful people they are.

IN MEMORIAM

Money has been donated for play ground equipment for our new building by Mrs. Irene Willam of Wheatley in memory of her husband Earl Willam who passed away in the Spring. We appreciate the donation and extend our sympathy to Mrs. Willam and her family.

We welcome to our Sun Parlor Family - Norman Walker, Warren Yaun, Christopher Fleming Johnny Woltz and Brenda Lafaive. We are glad to have them with us. Our new teacher Mr. Allan Arbour, is working with our Level 10 boys in Shop and Physical Education. He is also doing Senior and Intermediate music.
